CRUZSUR ENERGY ANNOUNCES NATURAL GAS DURING THE ARUCHARA WELL RE-ENTRY

VANCOUVER, B.C., July 24, 2020 – CruzSur Energy Corp. (the “**Company**” or “**CruzSur**”) (TSXV: CZR) announces that during the re-entry of the Aruchara well, in order to repair a gas leak identified in the well which had been drilled in 1980, found a large amount of natural gas that has been burned in the flare stack. The Company duly informed the Colombian authorities of the re-entry. The team has now continued the process of the well repair with its cleaning to define the final conditions, quantity and quality of the gas found.

The Company has successfully controlled the leak to this point and contained safe levels of natural gas exposure, taking into account the amount of gas found during the process.

About CruzSur Energy Corp.

CruzSur Energy Corp. is a publicly traded E&P company focused on proven oil & gas plays in Latin America. The Company holds a large diversified portfolio of producing, development and unexploited assets in Colombia and Argentina where it will leverage its amplitude of technical expertise and proven track record building companies and creating value.

Forward-Looking Information

Except for the statements of historical fact, this news release contains "forward-looking information" within the meaning of the applicable Canadian securities legislation that is based on expectations, estimates and projections as at the date of this news release. The information in this news release about the completion of the operations described herein, and other forward-looking information includes but is not limited to information concerning the intentions, plans and future actions of the parties to the transactions described herein and the terms of such transaction.

Factors that could cause actual results to differ materially from those described in such forward-looking information include, but are not limited to, risks related to the Company's inability to perform the proposed operations.

The forward-looking information in this news release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company. In connection with the forward-looking information contained in this news release, the Company has made assumptions about the Company's ability to complete the planned operations and activities. The Company has also assumed that no significant events will occur outside of the Company's normal course of business. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.

Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
