SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of **NGX ENERGY INTERNATIONAL CORP.** (the "**Corporation**") for use at the annual general meeting (the "**Meeting**"), of the shareholders (the "**Shareholders**") of the Corporation, to be held on Thursday, November 19, 2020 at the time and place and for the purposes set forth in the accompanying notice of meeting and at any adjournment thereof. The enclosed instrument of proxy is solicited by the management of the Corporation. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Corporation. The cost of solicitation will be borne by the Corporation.

"The Corporation intends to hold the Meeting in person. However, due to the COVID-19 pandemic, to mitigate risk to the health and safety of our communities, shareholders and employees, the Corporation requests that shareholders not attend the Meeting in person. The Corporation encourages shareholders to instead vote their shares in advance of the Meeting via mail, facsimile or online. No management presentation will be made at the Meeting.

If any shareholder does wish to attend the Meeting in person, please contact Tally Barmash at (604) 609-6103 or email tbarmash@fiorecorporation.com in order for arrangements to be made that comply with all recommendations, regulations and orders related to the COVID-19 pandemic. The Meeting can accommodate no more than five (5) shareholders in person. Attendance will be on a first come, first served basis. No shareholder who is experiencing any symptoms of COVID-19, including fever, cough or difficulty breathing will be permitted to attend the Meeting in person. The Corporation may take additional precautionary measures in relation to the Meeting as necessary in response to further developments related to the COVID-19 pandemic and shall comply with all applicable recommendations, regulations and orders related thereto. In the event it is not possible or advisable to hold the Meeting in person, the Corporation will announce alternative arrangements for the Meeting as promptly as practicable, which may include holding the Meeting entirely by electronic means".

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS NOMINEE IN THE BLANK SPACE PROVIDED OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE CORPORATION'S REGISTRAR AND TRANSFER AGENT, TSX TRUST COMPANY, 100 ADELAIDE STREET, SUITE 301, TORONTO, ONTARIO, M5H 4H1, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The Proxy must be signed and dated by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation's registrar and transfer agent, **TSX Trust Company, 100 Adelaide Street, Suite 301, Toronto, Ontario, M5H 4H1**, at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Corporation who have an interest in the motion and common shares held by their "associates", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

General

The authorized capital of the Corporation consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value. There were 82,794,211 common shares of the Corporation issued and outstanding as of the close of business on October 9, 2020, each share carrying the right to one vote. There were no preferred shares issued and outstanding as of the close of business on October 9, 2020.

Only Shareholders of record as at the close of business on October 9, 2020 (the "**Record Date**") who either personally attend the Meeting or who have completed and delivered a form of Proxy in the manner and subject to the provisions described under the heading "Appointment and Revocation of Proxies" shall be entitled to vote, or have their common shares voted, at the Meeting, or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as at the Record Date.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc.,

which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Corporation is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Principal Holders of Voting Shares

To the knowledge of the directors and senior officers of the Corporation, as of the Record Date, there are no persons or corporations that beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation other than:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding Shares

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The compensation of the Corporation's Named Executive Officers has been established with a view to attracting and retaining executives critical to the Corporation's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry, in particular.

The board of directors of the Corporation (the "Board of Directors" or "Board") has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do

Details of the Stock Option Plan are as follows:

Stock options granted to persons involved in Investor Relations Activities will cease to be exercisable 30 days after the optionee ceases to serve in such capacity otherwise than by death, or for a "reasonable period" after the optionee ceases to serve in such capacity, as determined by the Board;

Gordon Keep, was a director of Rusoro Mining Ltd. ("Rusoro") on May 21, 2013 when the British Columbia Securities Commission ("BCSC") issued a cease trade order against Rusoro for failure to file its audited financial statements for the year ended December 31, 2012 and related MD&A. On June 5, 2013 and June 7, 2013, respectively, similar cease trade orders were issued against Rusoro by the Ontario Securities Commission ("OSC") and the Autorite des Marches Financiers ("AMF"). On August 21, 2013 (BCSC), August 28, 2013 (AMF) and September 4, 2013 (OSC) granted full revocations of the cease trade order issued by each of them. Rusoro was unable to file its December 31, 2012 financial statements and MD&A by the required filing deadline because it experienced significant delays in preparing them due to the nationalization by the Venezuelan government of Rusoro's gold mining assets in Venezuela.

Mr. Iacono was a director and Mr. Pantin was Chief Executive Officer and a director of Pacific Exploration & Production Corp. ("Pacific"). On April 27, 2016, Pacific commenced proceedings and obtained court protection under the Companies' Creditors Arrangement Act and ancillary proceedings under Chapter 15 of the United States Bankruptcy Code and Colombia Law 1116 (the "Pacific Restructuring Transaction"). On September 14, 2017, the Court of Queen's Bench, Alberta granted the application of the primary creditor of US Oil Sands to appoint a receiver and manager over all the assets, undertakings and property of US Oil Sands. Such appointment continues as of the date hereof.

Mr. Iacono has served as a director of Pacific Coal Resources Ltd. ("Pacific Coal") (now Caribbean Resources Corporation) since January of 2011. On May 8, 2015, the Ontario Securities Commission issued a management cease trade order on the securities of Pacific Coal due to a failure to file audited financial statements for the year ended

December 31, 2014 and interim financial statements. As a result, Pacific Coal was also unable to file the interim financial statements for the three month period ended March 31, 2015 until the year-end financial statements were filed. These statements were not filed due to a delay by Pacific Coal to commence the audit procedures of its annual financial statements. The management cease trade order was lifted on July 3, 2015 after both the year-end and interim financial statements were filed. The Corporation subsequently changed its name to Caribbean Resources Corporation and was de-listed from the TSX-V on April 4, 2016

- (o) a stock option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed Material Information; and (b) the automatic extension of an optionee's stock option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities.

"Consultant", "Director", "Disinterested Shareholder Approval", "Eligible Charitable Organization", "Employee", "Investor Relations Activities", "Management Company Employee", "Market Price", "Material Information", "Person" and "Securities Laws" all have the same definition as in the policies of the TSX Venture Exchange.

Management recommends, and the persons named in the enclosed Proxy intend to vote in favour of the following resolution approving the Stock Option Plan.

“BE IT RESOLVED THAT the Corporation’s Stock Option Plan dated April 28, 2017 be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the policies of the TSX Venture Exchange, as the directors of the Corporation may deem necessary or advisable.”

It is the intention of the Corporation's board of directors (the "**Board**") that through the involvement of the Audit Committee, the external audit will be conducted independently of the Corporation's management to ensure that the independent auditors serve the interests of shareholders rather than the interests of management of the Corporation. - (1) The Audit Committee shall consist of at least three members of the Board.
- (2) At least two (2) members of the Audit Committee shall be independent and the Audit Committee shall endeavour to appoint a majority of independent directors to the Audit Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Audit Committee members' independent judgment. SCHEDULE "B"
NGX ENERGY INTERNATIONAL CORP.
FORM 58-101F2
CORPORATE GOVERNANCE DISCLOSURE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices*, **NGX ENERGY INTERNATIONAL CORP.** (the "**Corporation**") is required to and hereby discloses its corporate governance practices as follows.

ITEM 1. BOARD OF DIRECTORS

The Board of Directors of the Corporation facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board.

Messrs. Giustra, Keep and Restrepo are "independent" in that they are free from any direct or indirect material relationship with the Corporation. A material relationship is a relationship which could, in the view of the Corporation's Board of Directors, be reasonably expected to interfere with the exercise of his independent judgment. Serafino Iacono is the President and Chief Executive Officer of the Corporation and is therefore not independent.

ITEM 2. DIRECTORSHIPS

The existing directors and any proposed directors of the Corporation are currently directors of the following other reporting issuers:

Name	Name of Reporting Issuer
Frank Giustra	Thunderbird Entertainment Group Inc.
Gordon Keep	Klondike Gold Corp. Northern Dynasty Minerals Ltd. Oceanic Iron Ore Corp. Renaissance Oil Corp. Rusoro Mining Ltd. Vanadian Resources Ltd.
Serafino Iacono	Gran Colombia Gold Corp. Western Atlas Resources Inc. Caldas Gold Corp.
Federico Restrepo-Solano	Gold X Mining Corp.

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board of Directors of the Corporation briefs all new directors with the policies of the Board of Directors, and other relevant corporate and business information.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

ITEM 6. COMPENSATION

The Board of Directors conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies.

ITEM 7. OTHER BOARD COMMITTEES

In addition to the Audit Committee, the Board of Directors also has a Compensation, Corporate Governance and Reserves Committee.

ITEM 8. ASSESSMENTS

The Board of Directors monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.
